and Licenses for City-Owned Vehicles*

SCOPE

This Policy applies to all City employees (civil and non-civil service) who will operate a vehicle for and/or owned by the Mayor and City Council of Baltimore. Eligibility for a City of Baltimore Driver Permit/Authorization (CBDP/A) is contingent upon a City employee having a valid Maryland State driver's license with the appropriate license class code, (employees with licenses from PA, VA, DC and DE (or any other State) may be eligible if that State is proven to be their actual state of residency ...i.e. go there each night after work), and meeting the requirements for such Permit/Authorization as outlined in this policy. A City employee who does not have a valid City of Baltimore Driver Permit will not be allowed to operate any type of City-owned vehicle. A City of Baltimore Driver Permit/Authorization may be suspended or revoked by the Department of Finance, Division of Occupational Safety (DOS), or the employee's agency head when circumstances warrant it.

Failure to maintain (for any reason) a CBDP/A, may result in the immediate transfer, demotion, and/or termination of the affected employee. A current file of individuals whose City of Baltimore Driver Permits/Authorizations and/or State drivers' licenses have been suspended or revoked shall be maintained by DOS and at the agency level. Employees who have approved for a CBDP/A but reside in PA, VA, DC or DE (or any other State) must provide Division of Occupational Safety (DOS) with a certified copy of their State Driving Record every six (6) months, January and July.

Issuance and/or reinstatement of a CBDP/A, upon request of a City Agency shall be solely the discretion of DOS.
