SUBTITLE 22
FRAUD - PROFESSIONAL BASEBALL

§ 22-1. Purpose and findings.

(a) *Purpose.*

The purpose of this subtitle is to prohibit the use of non-major league baseball players at Oriole Park at Camden Yards.

(b) *Findings.*

- (1) Oriole Park at Camden Yards was built to provide a place for major league baseball games to be played by the Baltimore Orioles baseball team for the benefit of fans of professional baseball in the Mid-Atlantic area.
- (2) Oriole Park at Camden Yards was constructed pursuant to funding by the Maryland Stadium Authority and agreements between the Stadium Authority and the City of Baltimore. In addition, state laws impose continuing duties to be performed by the City of Baltimore in conjunction with the operation of the stadium.
- (3) The operation of the stadium is an economic benefit to the City and the State of Maryland. A total sold-out season means the attendance of 4,600,000 fans in the City of Baltimore. Those fans, between April and October, patronize businesses that provide employment for many citizens in the metropolitan area.
- (4) These major league baseball fans expect to see major league baseball players playing at Oriole Park at Camden Yards. Any player of less than major league caliber will be unacceptable to fans and will cause a substantial decrease in attendance.
- (5) The recent position of the Commissioner of Baseball, at the request of the owners of the baseball teams to field non-major league baseball players in place of striking major league baseball players threatens the social and economic stability of the citizens of Baltimore and the Baltimore metropolitan area. The Commissioner's proposal to withdraw the franchise of any major league baseball team that does not comply further threatens the social and economic stability of the citizens of Baltimore and Baltimore metropolitan area.
- (6) The City of Baltimore has a vested interest in the operation of Oriole Park and, hence, has the power and authority in the exercise of its police powers to enact laws to protect the safety, health, and welfare of the citizens of Baltimore.

(City Code, 1976/83, art. 21, §12(a).) (Ord. 95-510.)

§ 22-2. Prohibited conduct.

Major league baseball games shall not be played at Oriole Park at Camden Yards with non-major league baseball players.

(City Code, 1976/83, art. 21, §12(b).) (Ord. 95-510.)

§ 22-3. Penalties.

(a) *In general.*

Any person who authorizes the playing of a game in violation of this subtitle is guilty of a misdemeanor and, on conviction, is guilty of a misdemeanor and is subject to a fine of not more than \$1,000 for each offense.

(b) *Each day a separate offense.*

Each day that a violation continues is a separate offense.
(*City Code, 1976/83, art. 21, §12(c).*) (*Ord. 95-510.*)

the act against a person or group because of that person's or group's race, color, religious beliefs, national origin, or sexual orientation;

(5) vandalize or burn or attempt to burn any object on the property of a person because of that person's race, color, religious beliefs, national origin, or sexual orientation;

SUBTITLE 26
LOITERING -DRUG-FREE ZONES

Editor's Note: The following provisions formerly appeared as §58C, as enacted by Ord. 89-375 and extended by Ord. 90-561A. Ord. 92-131 later amended §58C to add provisions for a curfew; that Ordinance, however, had a "sunset" date of September 30, 1993. This recodification, therefore, is based on §58C as it existed before Ord. 92-131 temporarily modified it.

§ 26-1. "Certified drug-free zone" defined.

A "certified drug-free zone" is a geographical area of Baltimore City certified as such by the Police Commissioner, including but not limited to identifiable segments of streets, alleys, walkways, parks, recreation centers, schools, bus stations, train depots, taxi stands, commercial parking lots, places of public accommodation and convenience, public housing complexes, and public access areas in residential apartment structures.

(City Code, 1976/83, art. 19, §58C(e)(1)(1st sen.)) (Ord. 89-375; Ord. 90-561A.)

§ 26-2. Findings and declarations.

The Mayor and City Council finds and declares that:

- (1) the illegal manufacture, distribution, possession, and administration of drugs and other unlawful drug-related activities is a City-wide evil of substantial and urgent proportions, constituting a clear and present danger to the citizens of the City;
- (2) innocent persons, including children, who come into contact with illegal drug-related activity are seriously and adversely affected and their health and safety are jeopardized by the violence and materials (such as discarded syringes) associated with these practices; and
- (3) criminalizing the act of loitering about or using places within a certified drug-free zone for the purpose of engaging in drug-related activity is a necessary exercise of the police power to maintain the peace, good government, health, and welfare of Baltimore City.

(City Code, 1976/83, art. 19, §58C(a.)) (Ord. 89-375; Ord. 90-561A; Ord. 04-672.)

§ 26-3. Commissioner to certify zones; term.

(a) *In general.*

The Commissioner may establish, alter, recertify, or terminate such certification *{of drug-free zones}* from time to time.

(b) *3-month limit.*

But any such certification will expire 3 months from the date of its certification unless recertified for an additional 3 months prior to expiring.

(City Code, 1976/83, art. 19, §58C(e)(1)(2nd sen.)) (Ord. 89-375; Ord. 90-561A.)

§ 26-4. Considerations for certification.

To determine whether to certify an area as a “drug-free zone”, the Commissioner shall consider the following:

- (1) arrests or other statistical criteria for reporting crime accepted and relied upon by law enforcement agencies which indicate a disproportionately high occurrence of illegal drug possession or distribution activity in the proposed drug-free zone;
- (2) 1 homicide or more than 1 instance of violent crime verified to have been related to the possession or distribution of illegal drugs committed within the previous 6-month period within the proposed drug-free zone;
- (3) reliable, objective, and verifiable information that indicates illegal drug activity is occurring in an area listed in § 26-1 herein or any other identifiable area legally accessible to the public;
- (4) any other verifiable information accepted by law enforcement agencies that indicates to the Commissioner that the health or safety of residents that live in or near the proposed drug-free zone are endangered by the possession or distribution of illegal drugs.

(City Code, 1976/83, art. 19, §58C(e)(2).) (Ord. 89-375; Ord. 90-561A.)

§ 26-5. Public notices of zones.

(a) *Pre-certification notices.*

Prior to certifying or recertifying a drug-free zone, the Police Commissioner shall:

- (1) cause to be published at least 1 week prior to certifying a listing of the specific area to be certified in 1 or more newspapers of general circulation in Baltimore City;
- (2) provide written notice not less than 1 week prior to such certification to the Mayor and the President and members of the City Council of the specific area to be certified, including the boundaries of the area and the date when the certification will begin;
- (3) post at least 3 days prior to certification a notice in the area to be certified the boundaries of the certified drug-free zone, the date certification will begin and end, and a phone number to call for additional information; and
- (4) take any other steps necessary and reasonable to inform the community in and surrounding the area to be certified of such certification, including by way of example: use of mass media, publication in community newsletters or newspapers, meetings with Community groups and citizens, notification at community relations councils, or any other means deemed appropriate.

(b) *Dissemination of list of zones.*

The Commissioner shall cause to be disseminated to all police enforcement personnel a current list of certified drug-free zones.

(City Code, 1976/83, art. 19, §58C(e)(1)(3rd sen.), (3).) (Ord. 89-375; Ord. 90-561A.)

§ 26-6. Prohibited conduct.(a) *In general.*

It is unlawful for any person to loiter about or remain at any public way, public place, or place open or legally accessible to the public within a certified drug-free zone, as herein provided, for the purpose of engaging in drug-related activity that is prohibited by any of the provisions of Article 27, Subtitle Health-Controlled Dangerous Substances of the Maryland Code relating to the manufacture, distribution, sale, possession, or administration of substances covered therein.

(b) *Refusal to leave.*

(1) A police officer shall first request a person suspected of loitering under this subtitle within a drug-free zone to leave the premises.

(2) Failure to obey the police officer shall subject the person to arrest.

(City Code, 1976/83, art. 19, §58C(b), (d).) (Ord. 89-375; Ord. 90-561A.)

§ 26-7. Considerations.(a) *“Known ... seller” defined.*

A “known unlawful drug user, possessor, or seller” is:

(1) a person who has, within the knowledge of the arresting officer, been:

(i) convicted in any court of any violation of a referenced provision of the referenced state code involving the regulation, use, possession, purchase, or sale of any of the substances referred to therein; or

(ii) convicted of violating a substantially similar provision of federal law or such law of any other jurisdiction;

(2) a person who displays physical characteristics of drug intoxication or usage, such as dilated pupils, glassy eyes, or “needle tracks”; or

(3) a person who possesses drug paraphernalia as defined in Article 27, § 287A of the Maryland Code.

(b) *Totality of circumstances.*

In making a determination that a person is loitering about or remaining in any public way, public place, or place open or legally accessible to the public within a certified drug-free zone, as herein provided, for the purpose of engaging in prohibited drug-related activity, the totality of the circumstances involved shall be considered.

(c) *Circumstances to consider.*

Among the circumstances which may be considered in determining whether such purpose is manifested are:

- (1) the conduct of the person being observed, including by way of example only, that such person is behaving in a manner raising a reasonable belief that the person is engaging or is about to engage in illegal drug activity such as:
 - (i) the observable distribution of small packages to other persons;
 - (ii) the receipt of currency for the exchange of a small package;
 - (iii) operating as a “lookout”;
 - (iv) warning others of the arrival of police;
 - (v) fleeing without other apparent reason upon the appearance of a police officer;
 - (vi) concealing himself or herself or any object which reasonably may be connected to unlawful drug-related activity; or

- (2) information from a reliable source indicating that the person being observed routinely distributes illegal drugs within the drug-free zone;
- (3) information from a reliable source indicating that the person being observed is currently engaging in illegal drug-related activity within the drug-free zone;
- (4) such person is physically identified by the officer as a member of a “gang” or association which engages in illegal drug activity;
- (5) such person is a known unlawful drug user, possessor, or seller;
- (6) such person has no other apparent lawful reason for loitering or remaining in the drug-free zone (e.g., such as waiting for a bus or being near one’s own residence);
- (7) any vehicle involved in the observed circumstances is registered to:

(i) a known unlawful drug user, possessor, or seller; or

(ii) a person for whom there is an outstanding arrest warrant for a crime involving drug-related activity.

(City Code, 1976/83, art. 19, §58C(c).) (Ord. 89-375; Ord. 90-561A.)

§ 26-7.1. Enforcement by citation.

(a) *In general.*

In addition to any other civil or criminal remedy or enforcement procedure, this subtitle may be enforced by issuance of a civil citation under City Code Article 1, Subtitle 41 {"Civil Citations"}.

(b) *Method not exclusive.*

The issuance of a civil citation to enforce this subtitle does not preclude pursuing any other civil or criminal remedy or enforcement action authorized by law.

(Ord. 03-596.)

§ 26-8. Penalties.

Any person who violates the provisions of this subtitle is guilty of a misdemeanor and, upon conviction, shall be subject to imprisonment for not more than 30 days or a fine of not more than \$400, or both.

§ 27-2. Legislative findings.

The Mayor and City Council hereby finds and declares that:

- (1) loitering for the purpose of prostitution, lewdness, or assignment, patronizing, or promoting same is disruptive of the public peace in that certain persons engaged in such conduct in public places harass and interfere with the use and enjoyment by other persons of such public places thereby constituting a danger to the public health and safety; and

(2) in recent years, the incidence of such conduct in public places has increased significantly in that persons aggressively engaging in promoting, patronizing, or soliciting for the purposes of prostitution, lewdness, or assignation have, by their course of conduct in public places, caused citizens who venture into such public places to be the unwilling victims of repeated harassment, interference, and assault upon their individual privacy, as a result of which such public places have become unsafe and the ordinary community and commercial life of certain neighborhoods has been disrupted and has deteriorated.

(City Code, 1976/83, art. 19, §58A(a).) (Ord. 77-434; Ord. 79-1131; Ord. 04-672.)

§ 34-2. Legislative findings.

The Mayor and City Council find that:

- (1) An emergency has been created by a substantial increase in the number and in the seriousness of crimes committed by minors against persons and property within the City, and this has created a menace to the preservation of public peace, safety, health, morals, and welfare.
- (2) The increase in juvenile delinquency has been caused in part by the large number of minors who are permitted to remain in public places and in certain establishments during night hours without adult supervision, and during daylight hours at times when, by law, they are required to attend school.
- (3) Education is the foundation of success and a productive life. The City of Baltimore provides the educational system and its staff, but the cooperation of students and their parents determines the productivity of the educational system. Late evening activity by certain of our youth prevents them from concentrating in class or, even worse, causes their absence from class. This, together with truancy, has risen alarmingly in recent years and youth is thus deprived of a necessary basic education. The rate of absenteeism has risen alarmingly in recent years while the achievement rate has rapidly decreased. The end result is an increase in failures and dropouts, frustration, malcontent, antisocial conduct, and, for many, a future without promise.
- (4) The problem of juvenile delinquency can be reduced by regulating the hours during which minors may remain in public places and in certain establishments without adult supervision, and by imposing certain duties and responsibilities upon the parents or other adult persons who have care and custody of minors.

§ 71-2. Prepayable criminal citations.(a) *Citation with prepayable fine.*

The criminal citations that Special Enforcement Officers are authorized to issue may provide that the recipient may waive trial and prepay a specified fine.

(b) *Limitation on use.*

The authority of the Special Enforcement Officers to issue prepayable citations is limited to violations that are specifically enumerated in this section and for which a specific prepayable fine is designated in this section.

(c) *Procedure for issuance.*(1) *Prior notice.*

Notwithstanding any other provision of the City Code to the contrary, notice need not be given before issuance of a criminal citation under this section if, within the preceding 12 months:

- (i) a notice for a prior violation of the same provision of law at the same address was issued to the same person, following which the violation was abated; or
- (ii) a citation for the same violation at the same address was issued to the same person.

(2) *Certification.*

Every citation shall contain a certification signed by the issuing officer under penalties of perjury that the facts contained in the citation are true to the best of the officer's information, knowledge, and belief.

(3) *Numbering; cancellation.*

Citations issued under this section shall be numbered consecutively. After issuance, no citation may be canceled or voided except by the District Court.

(4) *Distribution of original and copies.*

Each citation shall be made with sufficient copies so that a copy can be served on the defendant or an agent authorized to receive court process, a copy retained by the officer, and copies provided as necessary for prosecution and collection purposes. After issuance and service, the issuing officer shall promptly file the original with the District Court.

(5) *Dates entered.*

On each citation, the Special Enforcement Officer shall enter:

- (i) a trial date that is at least 2 weeks after the date of issuance; and
- (ii) a date by which the specified fine may be paid if the recipient wishes to waive trial.

(6) *Recipient's statement and signature.*

The recipient of a citation is required to sign a statement on the citation acknowledging its receipt and promising to either appear for the scheduled trial or prepay the specified fine as directed. Failure to sign does not invalidate a citation.

(7) *Identification.*

It is unlawful for any person to whom a citation is issued to refuse to provide personal identification on request. Any person so refusing is subject to police arrest and, on conviction, to a fine not to exceed \$500.

(d) *Procedure for compliance.*

- (1) Prepayment of the fine constitutes a waiver of the right to trial. Prepayment authorizes the entry of a plea of no contest and a disposition of the charge in accordance with the facts contained in the citation.
- (2) If payment of the fine has not been made in the time and manner directed, the recipient shall appear for trial in the housing part of the District Court of Maryland for Baltimore City on the scheduled date.
- (3) The citation shall set forth a means by which the recipient may request the presence of the issuing officer at the trial. If the officer is not present at the trial and his or her presence has not been requested, the citation constitutes a stipulation by the recipient that if the officer were present at the trial, the officer would testify that the facts are as set forth in the citation. This stipulation, however, is not a waiver of the recipient's right to testify and to controvert the facts forth in the citation. The facts set forth in the citation shall be offered at the trial as all or part of the prosecution's case.
- (4) Where the fine has not been prepaid as directed and the recipient fails to appear for trial on the scheduled date, the recipient is subject to the issuance of a bench warrant for arrest or the issuance of a show cause order for contempt of court. No bench warrant may issue until 5 days after the scheduled trial date.

(e) *Form of citation.*

Citations issued under this section shall be in a form approved by the District Court of Maryland.

(f) *Contents of citation.*

The contents of citations issued under this section shall comply with all relevant requirements of the Maryland Rules of Procedure and with § 16-16A of the Public Local Laws of Baltimore City.

(g) *Continuing and recurring violations.*

- (1) Where the provision of law that has been violated provides that the continuation or recurrence of a violation constitutes a separate offense, a separate citation may be issued for each such separate offense.
- (2) For 12 months after the District Court has disposed of a citation other than by a verdict of “not guilty”, the fine specified for a violation is doubled on any citation issued to the same person for recurrence of the same violation at the same address.
- (3) Issuance of a citation under this section does not preclude pursuit of other remedies and enforcement actions.

(h) *Implementation.*

Uniform administrative procedures for implementing this section shall be jointly devised and adopted by the Commissioner of Housing and Community Development, the Chief of the Fire Department, and the Commissioner of Health, in consultation with the District Court on any matter affecting the Court's operation.
